THE PHANTOMMAIRE

SISTER BUDD

5:00 P.M. 5/26/60

"Lil' Sister,"

I don't know whether I can go 7 pages or not but I'll say what I have to say and quit !!

It's hard for me to even begin to tell you how much your friendship has meant to me these past years. It seems that every time I need sympathy or advice I go running to my little "blood-sister" and you have always been willing and ready to cure my problems in some way or other. When you couldn't completely solve my problem your smile and pleasant personality made me feel better too.

I don't reckon I'll ever forget the good times we have had together. Remember that nite last summer when we had that long talk about "P.F." ?!?. And where we had it at? Boy, did she get mad when she heard about it !! Hahaha

It's going to be hard for me to get along without you this summer. It

seems that we have been so close in the past year or so that I will really and truly miss your sweet little countenance the 3 months I'll be gone. But you have my permission to write and you can be sure that your letters will be answered.

Will be gone next year and I don't know what J.M. will do without us. It doesn't seem like anytime since we were in the grammar grades. Boy, time has surely flown!!

You did a great job on the banquet Lis. You should be commended highly for the work you put into it. We had a lot of fun then too.

Sister, I'm starting to start now. I want you to stay just as sweet and cute and likeable and enjoyable as you are now. Keep your sparkling personality and you will be a success. May happiness be yours forever and may all your dreams come true.

5:45 P.M.

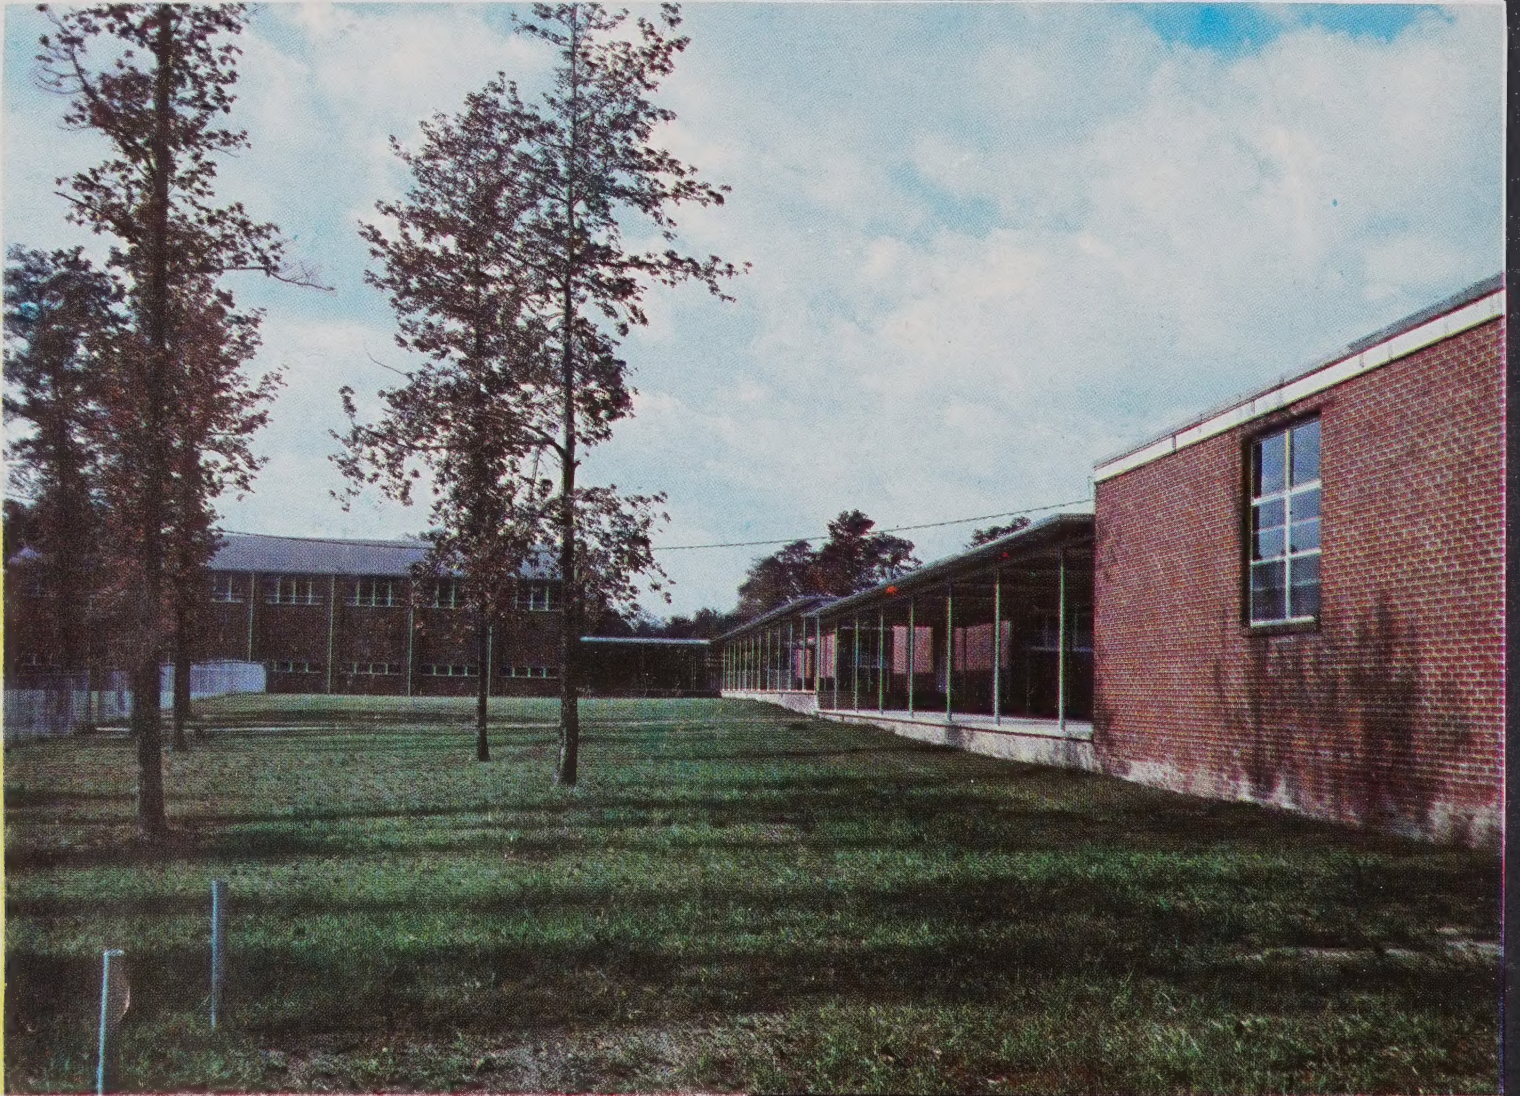

Your Brother
With love, Will (WJ)

When I have ceased to break my wings
Against the faultiness of things,
And learned that compromises wait
Behind each hardly opened gate,
When I can look life in the eyes,
Grown calm and very coldly wise,
Life will have given me the Truth,
And taken in exchange--my Youth.

In years to come may the wonder of print and the magic of the camera's eye recapture our wonderful memories...we experienced victory and defeat... joys...disappointments...happiness...sorrow...these shall always be ours. Let us now recall this passing year at Jordan-Matthews.

Inspiration

We shall carry with us throughout life memories of our years at Jordan-Matthews and of friends we've made. One group has proved its friendship above all others... The Faculty. They have devoted their

time to our needs and encouraged us to set our goals high and never give up. Through their examples we have been inspired to become able and useful citizens.

Our dedication

We, the members of the Jordan-Matthews chapter of the National Beta Club, do, with sincere gratitude and hearts full of love, dedicate this our 1960 PHANTOMAIRES to the people in our home town who have made our years at Jordan-Matthews possible.

You—the parents and business people—have rallied

to our needs, encouraged our efforts and guided our ways in our every endeavor. It is our prayer that in years to come you shall indeed be proud of your part in the molding of our lives.

This is our town and we are proud to be a part of it.

Principal

Mr. Durham was the first and to date, the only principal of Jordan-Matthews. This year marks his fourth in Siler City. He has contributed generously of his time and energies both to our school and the elementary schools in our town. Under his leadership we have seen our school plant enlarged and our curriculum broadened. We know, too, that we have grown with these improvements.

Concentration

"I will study and get ready and perhaps my chance will come." This quotation by Abraham Lincoln years ago is still

meaningful to the students of today.

Shown above is an English IV class concentrating on the day's assignment.

Senior Class

We, the first class to have spent four years at Jordan-Matthews, look back upon many treasured memories that arise from unforgettable moments of the past years. Ahead lies graduation and for many, new experiences.

We are grateful to all who have played a part in our preparation for the future. Mrs. Lane and Mr. Andrew have been our sponsors and have done much to make this year both enjoyable and profitable.

English

Seniors learn to write term papers in Mrs. Lane's English IV class.

Math

One of our favorite courses—trig and solid geometry—is enjoyed by several boys and one girl.

Science

Mr. Andrew explains the laws of motion to the physics class.

Seniors choose for life's work from many fields

Social Studies

Seniors broaden their knowledge of places and peoples in Mrs. Wrenn's geography class.

Foreign Language

In Spanish II seniors not only prepare for college, but learn of their Latin American neighbors.

Business

Typing II is both a popular and beneficial course—many prepare for life's work here.

Junior Class

We, the juniors, sincerely hope the seniors will long enjoy the night they were our guests at the banquet held in their honor. At the close of our magazine sale, we were so happy to find that at last we were financially able to entertain them in the manner they so rightly deserved.

Our year has been a happy one and under the leadership of Mrs. Foust, Mrs. Brewer and Mr. Charlton, we think a most eventful one.

Sister —

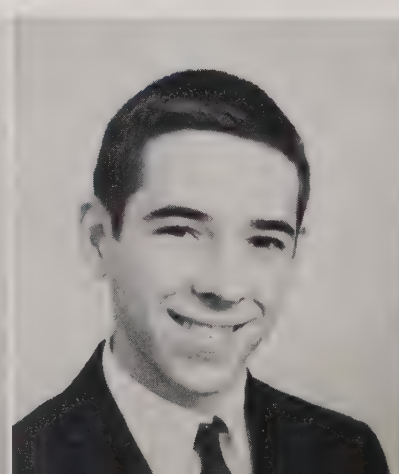

This has been a big year for both of us; we have had a lot of good times and a few bad, but she remembers those. We've got to put up with each other for one more year and I sincerely hope we can get something out of it. We have one thing in common anyway — we are both losing some good friends next year, so we can occasionally console each other. It really is a good annual, sincerely.

Math

Through geometrical proofs, juniors learn to think in a logical manner.

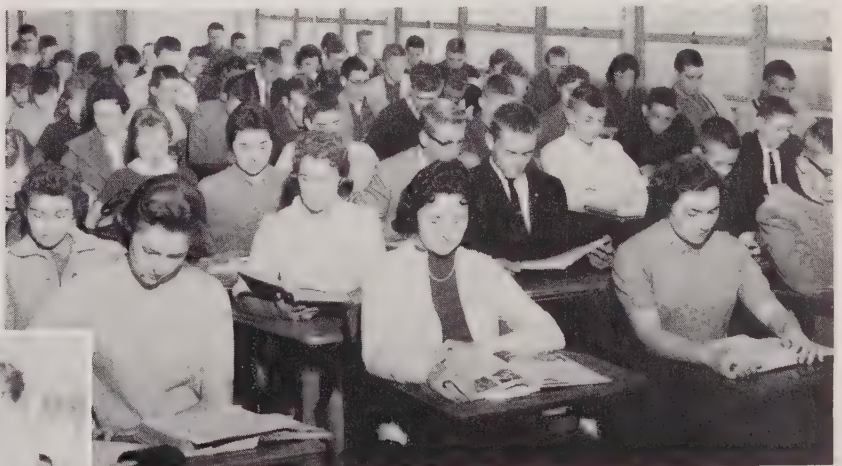

Science

Lab work proves interesting and educational to the chemistry class.

Juniors elect courses of special interest

Social Studies

It is important to study one's government and heritage—this the juniors do in U.S. History.

Foreign Language

Many juniors elect Spanish I to broaden their high school background.

Business

Juniors begin their study in business education with Typing I.

Sophomore Class

Experience has taught us sophomores that long hours of hard work and diligent study are required to be good high school students. We have found, too, that there are times for fun, recreation and sports, as well as for study. We are looking forward to our remaining years at Jordan-Matthews even though we know that we must study hard.

Mrs. Howard, Miss Kimbro and Mr. Williams have guided us in our year's activities.

English

Sophomores study English grammar to enable them to master the English language.

Math

This Algebra II class concentrates on the explanation given at the board.

Social Studies

These students study World History as a background for United States History.

Sophomores stay busy in their efforts to succeed

Science

In this biology class sophomores study plant and animal life.

Vocational Studies

Both boys and girls find mechanical drawing helpful.

Physical Education

Needless to say these boys enjoy their physical education class.

Freshman Class

When school started this year, we freshmen were excited and wondered exactly what high school would be like. Most of us had been looking forward to it for some time, although we hardly realized what a challenge was before us. We wondered if we would ever remember our schedules and get to classes on time. Would we ever learn our locker combinations?

Our faculty advisors, Miss Bryan, Mr. Callicutt and Mr. Halverson, have helped us adjust to our new life.

Sisters,

This is a hard thing for me to be because I'm not used to writing to a girl I've never met. But you at the time you will feel the same way. Being a Union is really a tough job. I'll never forget our times, and I hope we had together. Even though things didn't work out in the end, I'm JUST ARRIVED. You are a pretty lady and I'd like to see you again. I'll see you at the next meeting. I'll see you at the next meeting. I'll see you at the next meeting.

Days spent at J.M. working together have brought us close to each other. In our clubs, classes and general school projects, we have come to know each other. We have learned that when there is a de-

sire, determination and cooperation, that the seemingly impossible can be had. We shall be able to work better with groups in adulthood because of the democratic practices we have experienced.

Competition

"Competition is the spice of life" is an oft repeated statement in the business world. It may be as aptly applied to school activities. Our scoreboards have not always shown victory for the home team, but we

have been ranked "number one" in fair play, team work and sportsmanship. In competition for these desirable traits we bow to none.

Coach Bill Charlton's 1959 edition of the Jordan-Matthews Blue Phantoms opened the season with a 26-0 victory over Chatham Central.

The Central Bears simply couldn't cope with J. M.'s powerful offense featuring FB Will Siler and a rock-ribbed defense headed by guard Dean Clark.

SANFORD WINS 26-0 over J.M.

Speedy offense and a rugged line play propelled AAA Sanford to a 26-0 win over AA Jordan-Matthews.

FB Will Siler and QB Roy Marley were among J.M.'s admirable performers along with senior end Tom Weaver.

INTERCEPTED PASS GIVES J.M. 6-0 VICTORY OVER LIBERTY

Joe Gunter, a reserve QB, raced 55 yards with an intercepted pass from end Nick York for a touchdown late in the second quarter to provide Jordan-Matthews with a hard fought 6-0 edge over arch-rival Liberty.

Liberty's only serious threat at the outset of the fourth quarter was halted by an unyielding defense by Dean Clark and Bill Warfford.

SILER CITY ROLLS TO 14-0 WIN OVER RANKIN ELEVEN

Siler City waited until the last quarter and then rolled to two TD's, one by Marley on a 10 yard run and the other a two yard smash by Womble, for a 14-0 win over Rankin.

The victory gave Siler City a 3-1 record for the season thus far.

Coach Charlton lends support from the sidelines.

First row, left to right: J. Smith, C. Atwater, J. Wrenn, D. Cole, W. Brady, T. Siler, S. Avent, W. Gaines, R. Parks, G. Cooper, I. Milholen, T. Edwards, G. Moore. Second row: J. Jones, D. Clark, K. Buckner, D. Morris, J. Misenheimer, T. Weaver, N. York, W. Siler, D.

PHANTOMS BOW TO PAGE HIGH, 26-0

Jordan-Matthews fell to Page High of Greensboro, 26-0, as the Gate City crew ran roughshod over the Phantoms.

Ken Buckner was outstanding at defensive guard, intercepting two Pirate aeriels, but he nor any of his mates could contain the Pirates.

PHANTOMS WHITEWASH PITTSBORO, 31-0

The Blue Phantoms threw up a rugged defense against Pittsboro's Dragons and then followed Robert Headen to a 31-0 whitewashing of its Central Tar Heel Conference rival.

End Nick York was the Phantoms' top defender with senior guard Dean Clark and Junior HB-QB, Robert Headen, giving outstanding performances.

Headen is stopped after catching a pass.

PHANTOMS TAKE 27-6 WIN OVER ANGIER IN HOMECOMING GAME

J. M.'s depth and scoring power wore down Angier 27-6 as several hundred homecoming fans packed the stands at Justice Field to watch the Phantoms move their record to 4-1, including three straight wins.

The key play of the game was in the opening kickoff when Roy Marley bolted 85 yards for a quick TD.

Charlton described the win as "Great Team Effort."

RANDLEMAN PASS PLAY BEATS J.M. 7-0

J.M.'s sixth game of the season was marked by defeat as the undefeated Randleman Tigers edged the locals 7-0. A 55 yard run by the visitors accounted for the single TD of the game.

Guard Ken Buckner and All-Conference end Nick York were tough for the Phantoms on defense.

Victory at homecoming.

A 18-0 DEFEAT FOR J.M.

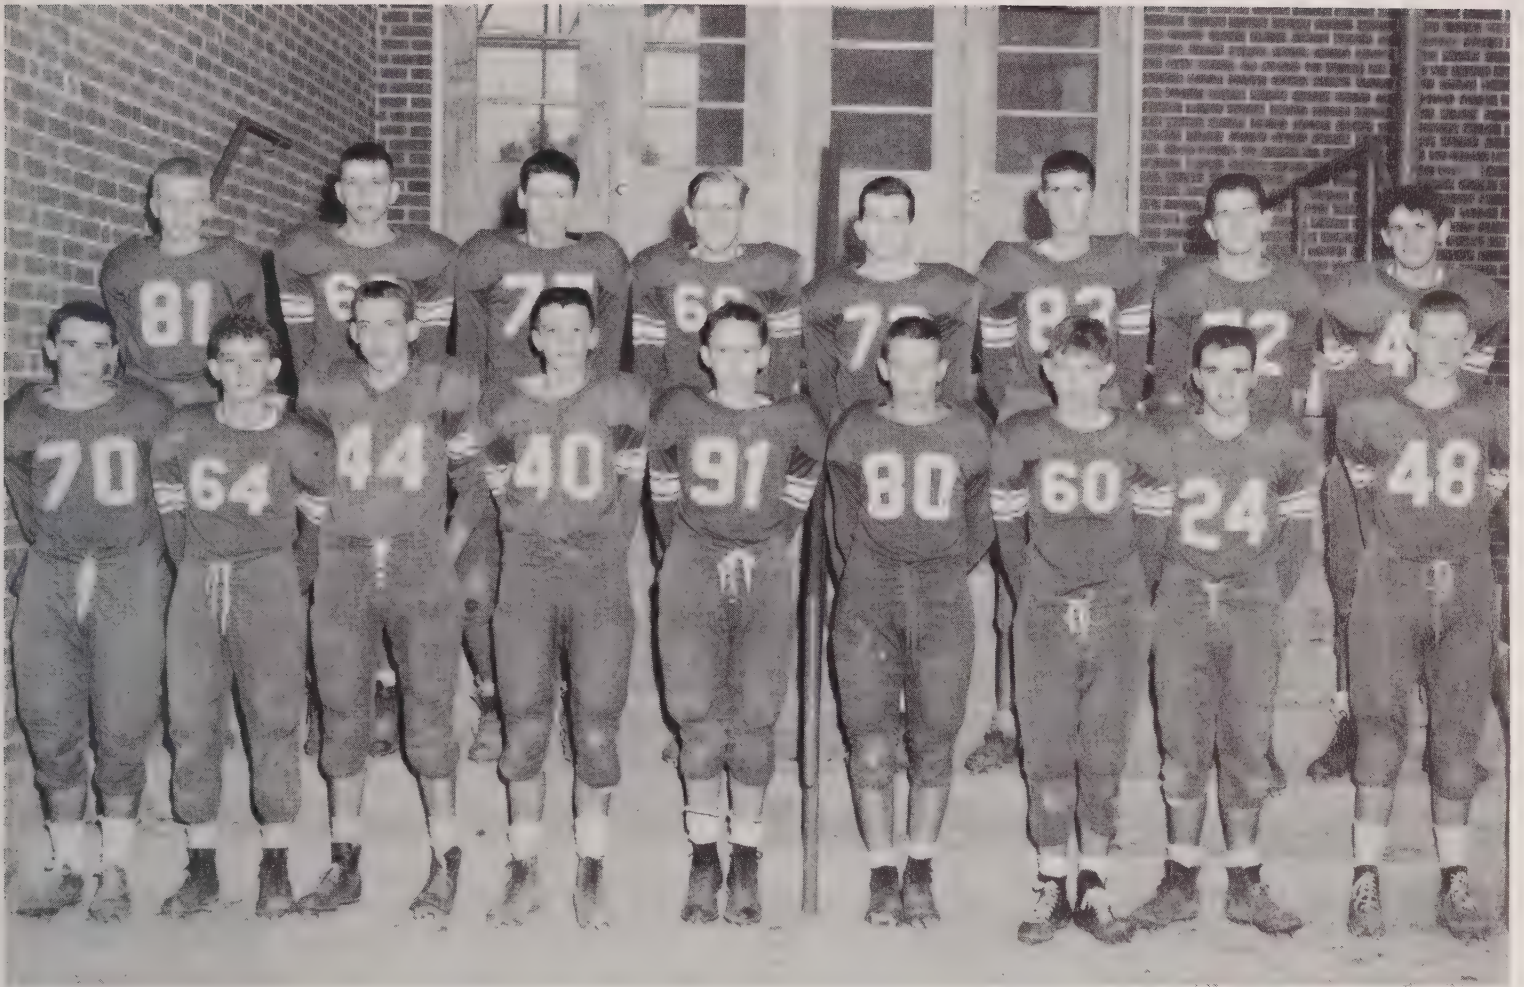

Roy Marley, Phantom quarterback, was responsible for most of the effort made by his team but it was not enough to keep the Sumner Indians from handing the Phantoms a 18-0 decision.

19-7 VICTORY OVER BETHEL HILL ENDS SEASON

Bill Warford led the Phantom defensive effort from his tackle position, as the Blue Phantoms ended their '59 season with the 19-7 victory.

"Victory was best of season," said Coach Charlton.

J. V.'s train for tomorrow

Under capable guidance the junior varsity and future varsity is introduced to the basic fundamentals of football.

J. V.'s loyal supporters brave the rain.

Coach West and the boys have worked long and hard hours. Showing improvement in every game, the J. V.'s gained valuable experience necessary in preparation for varsity participation.

This year at J.M. there has been a new look in cheerleaders—not only in outfits but in yells. Many new yells were introduced to the student body at frequent pep rallies. The students have cooperated with the cheerleaders to help make this a successful year.

The boys' baseball teams have certainly done their part in helping us fill our new trophy case. For the third consecutive year, the team has won the county trophy. In the 1959 season, they were semi-finalists in the state play-offs. Coach Callicutt and the boys are to be congratulated.

Our newest

sport

Ray and William in starting position

1959 was the first year that J-M engaged in high school track competition. About twenty boys showed an interest in this new sport. Bobby Frickey, a senior, and Ray Kernodle, a sophomore, were the most outstanding participants. Bobby, William Siler and Ray represented our team in the sectional meet, with Ray going on to the state meet.

This year Coach Charlton plans to enlarge the program and buy new equipment.

Kneeling: Skippy Parish, Chip Atwater, Stanley Avent, Ray Kernodle. Standing: Glenn Frickey, Glenn Edwards, William Siler, Freddie Andrew, Don Powers, Coach Charlton.

Aspiration

All of us do not reach our goals, nor do we always fulfill our desires. However, we have students who do aspire to achievements beyond the requirements of the classroom walls. These students have done well; they have gone an extra mile

in some endeavor and have reaped rewards. We salute them for their accomplishments.

Sylvia was chosen Miss Jordan-Matthews by the senior class and represented our school at the Lee County Fair.

Marshals active during commencement

A Budd's Eye . . . Teenage Set

Diane and Mike have been a real service to our school. Diane, with her weekly column, has kept both the student body and the public aware of our school activities. Mike has done an outstanding job with his sports column. He has had a weekly program from the local radio station, too.

We are grateful to both of these seniors for their services.

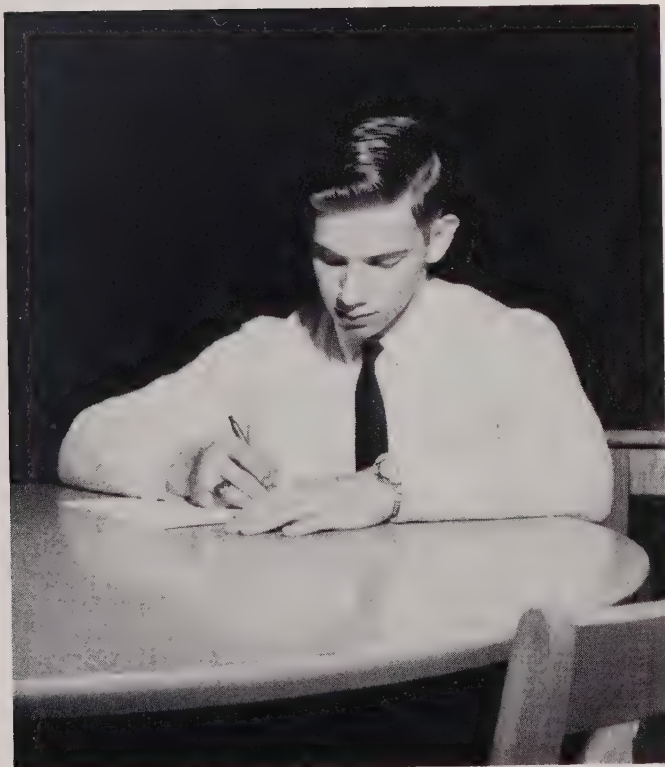

On October 23, 1959, at least one dream came true. A brand new activity bus was parked on our campus. In behalf of the student body we should like to thank every person who had a part in making this dream materialize. Shown with the bus is Sgt. Aldridge, who spent many hours soliciting funds.

And we're on wheels again

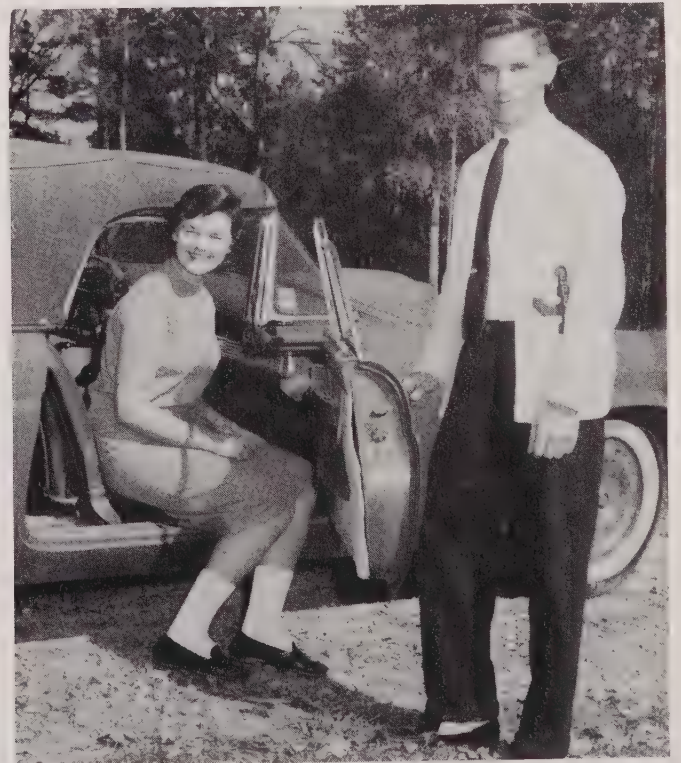

Left to right: Phil Payne, Joe Gunter, Eddie Fox, Dee DeMarcus, Patsy Fox and Buddy Wrenn received certificates for their accomplishments on the NED test.

Outstanding Achievements

Grover was our only semi-finalist for the Merit Scholarship award.

Grover and Sylvia were chosen to study college chemistry at W.C. in the summer of 1959.

Cooperation

Without the help of the business people in our community, we should not be able to publish our yearbook. They have been most generous in their financial support and we are indeed grateful.

Shown in the picture is Grover receiving a check from Mr. Cecil Kelly, a distributor of the Coca-Cola Bottling Company.

Thanks for your services

To the people pictured on this page we are perhaps more indebted than to any others in our school system. The bus drivers shoulder adult responsibility and often do not receive the cooperation of the passengers.

For wholesome and tasty meals we would thank our cafeteria staff. Their hot rolls, pie and cake have been tops all year.

Billy has spent long hours keeping our building warm and clean.

To all of you we should like to say thanks for every member of the student body and faculty.

I will always think of you as a true friend & a better
any old lover, although neither of us go down there anymore.

Well this is it for me "sister," but your lucky since
you have another year. I'm going to miss your wonderful
smile in the hall for they will all be strangers (S.S.) to
me at first next year. I guess too I will miss our
bloody bridge games. I do but we didn't get a chance
to really slaughter Pittsboro, but maybe some holiday
next year even this summer we can get up a bad
four some (that usually turns into a brawl with about
a "Lillian" player).

Always love and always stay so cute and
sweet as ever and you'll go a long way! Maybe
even with "Jackie" or "O. S." (I mean by, good luck
with "Jackie").

Be good
a friend

"Sister" - my little sister ... who did such a great annual.
It seems quite fitting that I should wait 'til now to
write in your annual. It was about this time a year ago
that you and I started really being the closest ever - and it was
because of one certain boy - Jackie - and his best friend - Buddy -
it seems impossible that a year could have flown by, a
truly wonderful year -

Falling leaves ... Chapel Hill in the mind ... Basketball games ...
Sanford ... Bably B ... open house and about 100 guests ... the
Kacey Street original ... a wonderful New Year Trailing & Christmas
warmth ... more excitement ... "The Rat" ... Pizza ... snow ...
Hill ... Buddy ... Jackie ... Valentine's Day night ... Mr. Andrews ...
Brownie's ... the tournament ... more dates - and Chapel Hill ...
Gr. Sr. ... Graduation ... Class Night ... Tears - laughter ... your
wonderful home, and brother, and parents ... Charcoal Hamburgers ...
drive-in movies ... and more and more and more -

Sister - though years shall pass and time move
slightly on - I shall love you as a true sister as
long as I live. I sincerely thank God or whoever is
omnipotent, for the wonderful blessing I have in such a
friend as you. Not only you, but your family has taken
me in & made me a small part of itself - Mother
and I both love and love you all very, very much.

You have been an unflinching, unwavering friend
who has allowed me a freedom of speech, thoughts
and movement that I could never have believed possible until
I came to be your friend. I sincerely and heartily thank
you for your understanding - your comfort through some
very dark moments - and your willingness to listen, though
loud I'm sure, to me ramble on about Buddy and Harold.

There's not really too much I can say - I believe
actions speak louder than words - maybe in the
many years to come I can make it up to you. Just this -
Sister - with your mind and soul you've no need
to worry about college in life as happens - though sometimes
it seems so far away and I know you'll
be greatly blessed.

Mother and I both love you very much - I hope this
past year will ever be remembered by you and that
the coming years for you, my dearest Baptist, will
be happy, warm - glorious ones -

I want to wish again why you graduate for then
I can speak of college more objectively Love -
your sister, Charlotte

Afternoon of graduation

Dear Sister,

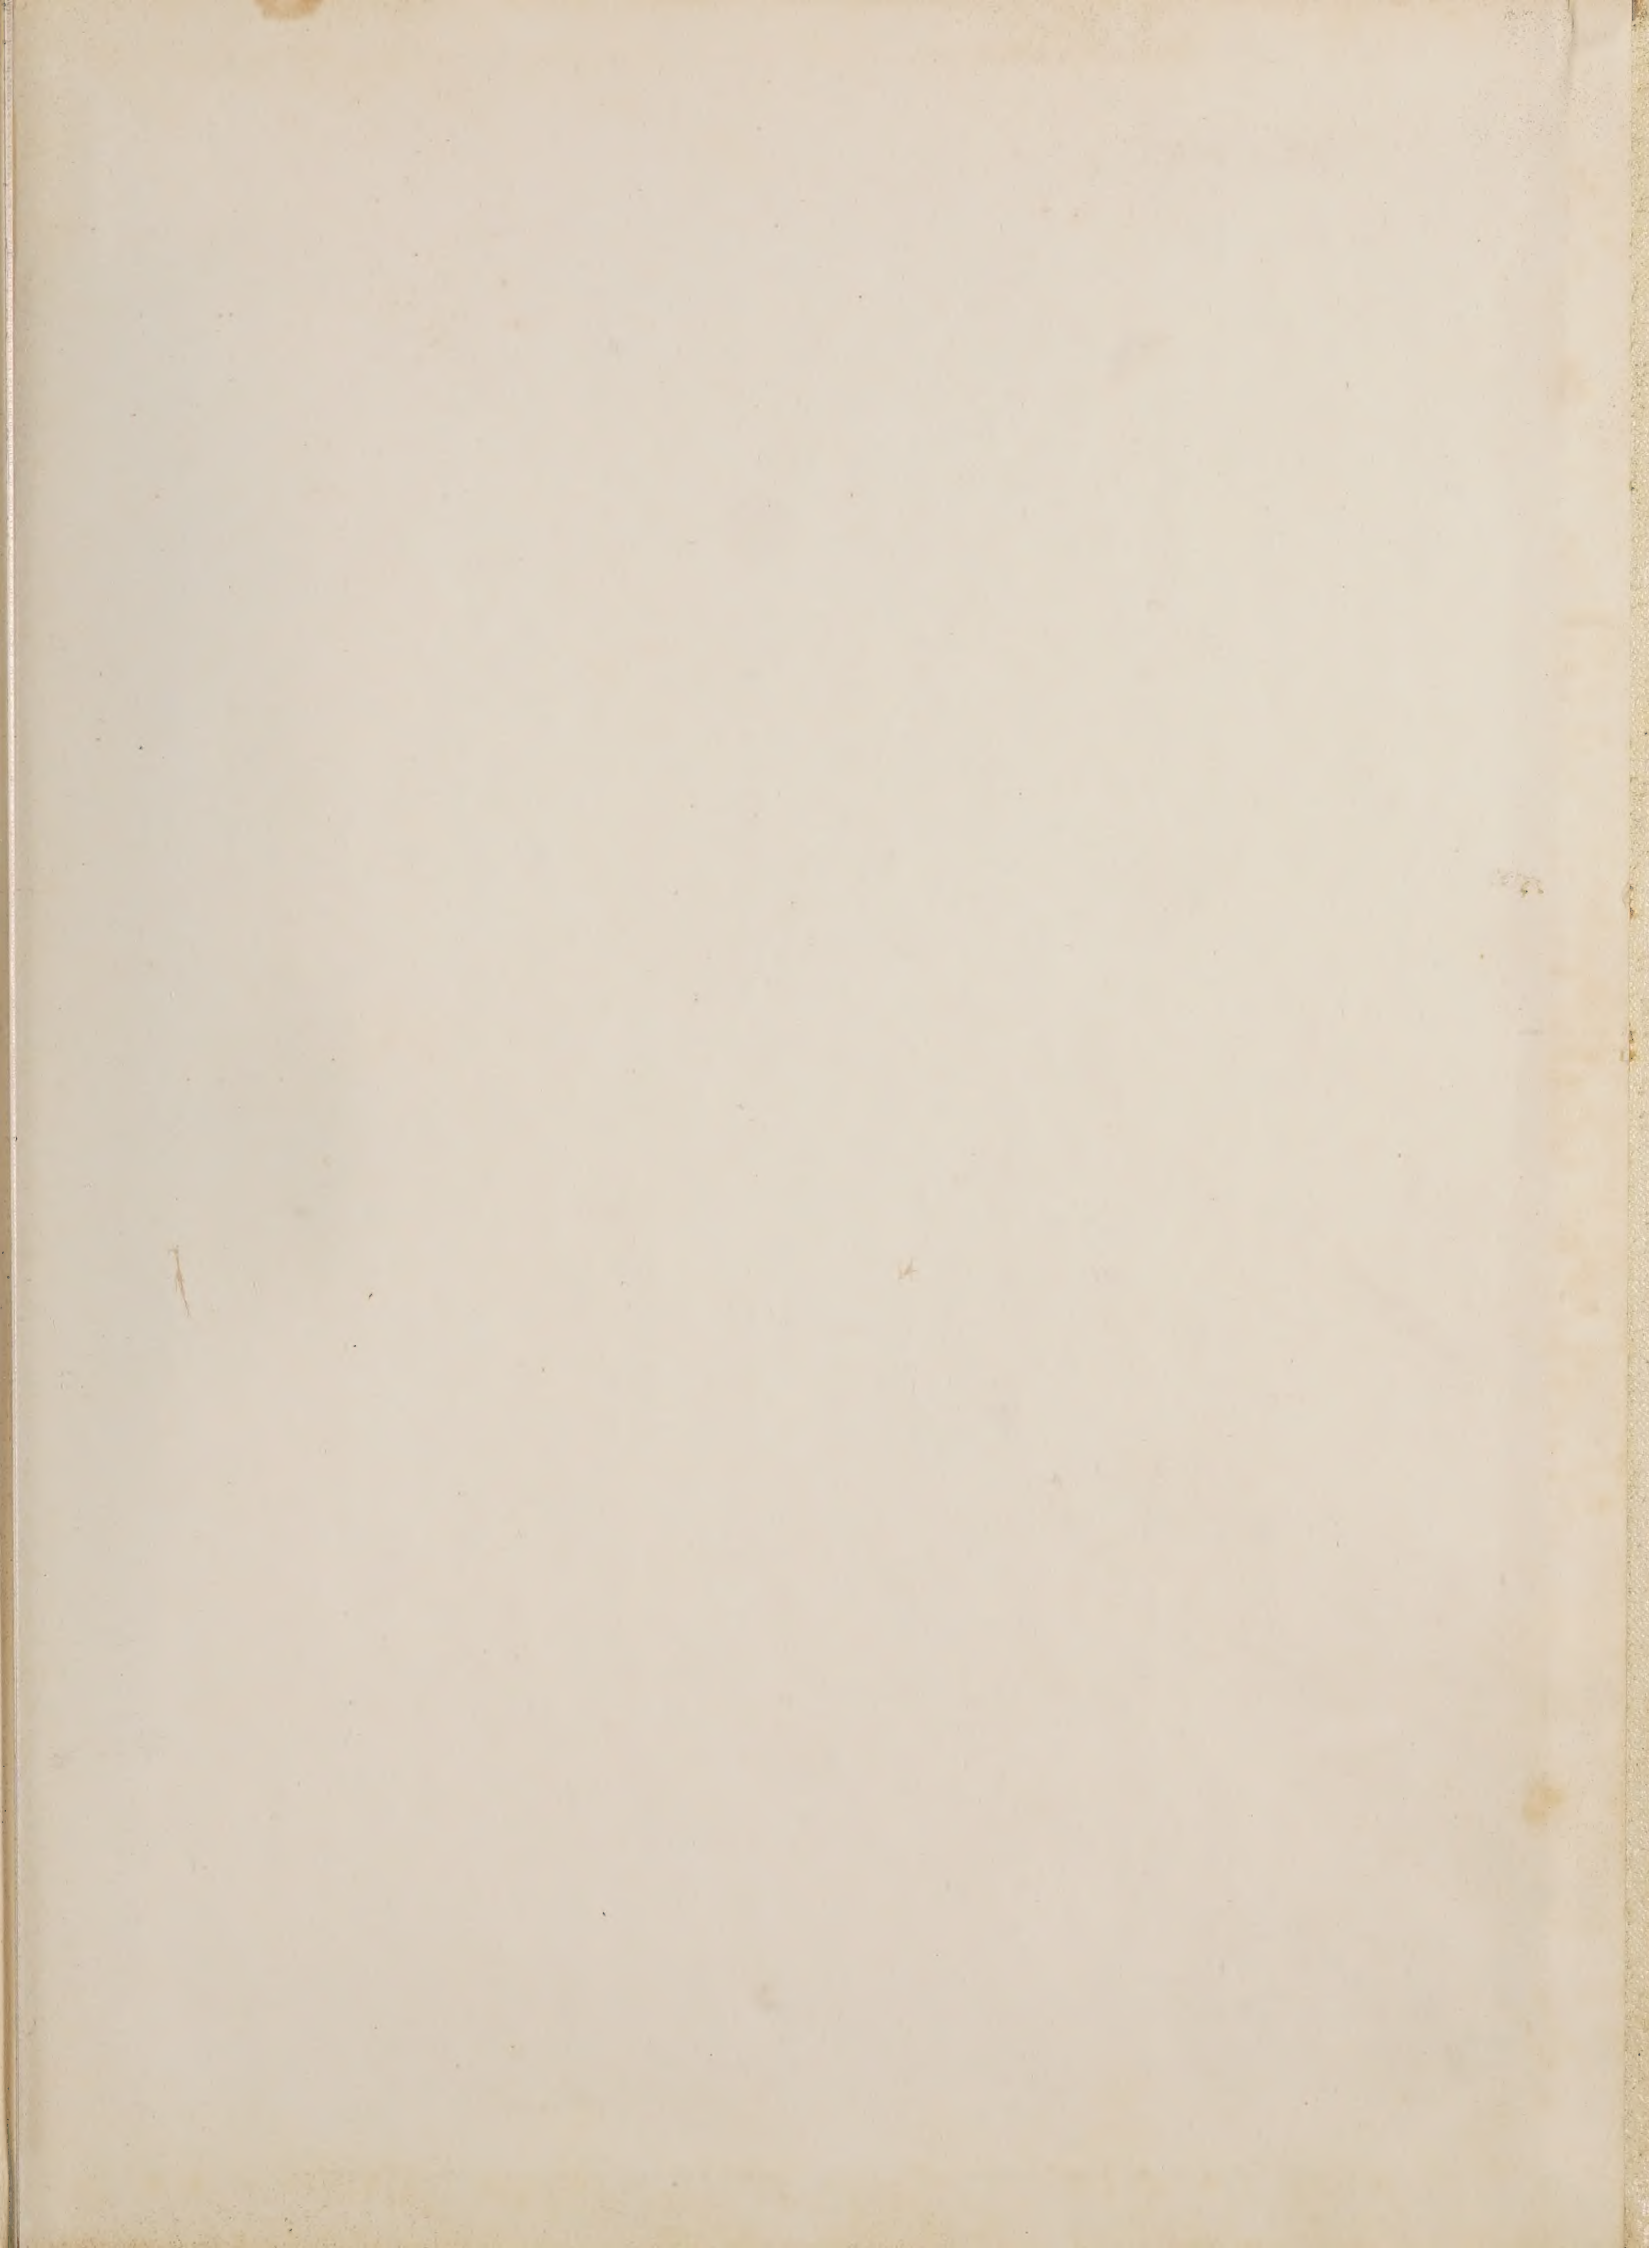

I do hope you don't mind my writing on the cover page, but the only other page is on the ads, and it frustrates me to write on them. It is impossible to express on this page the way I feel about you and our friendship. When you find entrance high school, Sister Budd was just a proper student as far as I was concerned, but during the past couple of years, I've realized that there's not a better or finer person than you! You're just downright smart, and you do anything well that you attempt. I admire you more for that than anything else. In going to miss you so very much next year - if you don't come to see me, I shall never forgive you.

Cheerleading was great this year because of a squad with cheerleaders such as you and Susan. I'll be thinking about all of you next year and wish for you the very, very best. School spirit was great - really great. This year, so far up the good work next year. You've done a wonderful job on this annual, and I know next year's will be just as good. I, also, want to wish you the very best with the Girls Montgomery Club and the Beta Club. You've got a big heady ahead, so do make the very best of it!

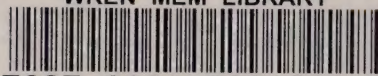

I can't expect to find friends such as you, Charlotte, Rosemary, and all the rest, 'cause the world just isn't that full of such great people. I know I shall always look for a Sister Budd in the future years ahead no matter where I may go. I hope you will never forget me, and all the "experiences" we've had together. I really love you and if you ever need help of any kind, don't hesitate to call on me.

Look after Mike - you're mighty lucky to have him for a brother. He's added probably more to our class than any other member. I shall always remember your family and hope to never lose complete contact with all of you. May God bless and keep you in the coming years. I'll be thinking of you.
